

Jay Gowan, REMSA Vice President

Sr. Vice President, North American Track

RailWorks Before moving to Harsco, Jay served as the Vice President of Operations at Roadway Worker Services, a welding contractor. A third generation railroader, Jay Gowan began his career in 1994 with the Ohio Central Railroad as a track laborer. After landing a sales position with Atlas Railroad Construction Company, Gowan spent five years with Hartford & Associates, a manufacturing representative company as a Territory Sales Manager. Mr. Gowan holds a Bachelor degree in Business from the University of Cincinnati.
